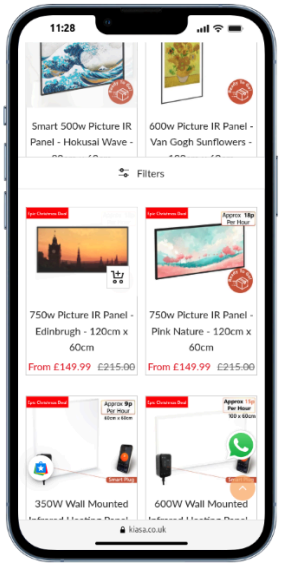
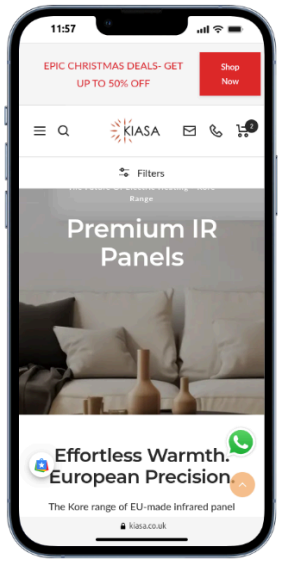
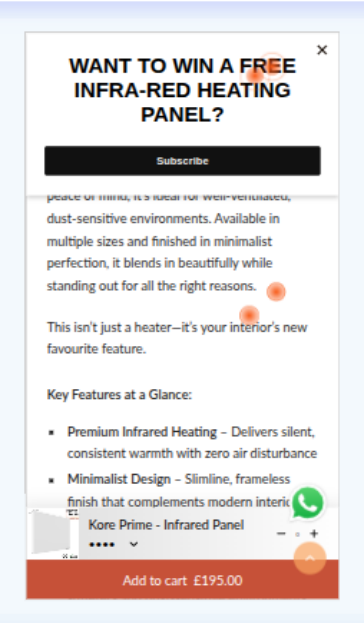
1. Current Issue: On mobile view, the filter option is displayed in the middle of the page across multiple pages. Pages - Essential IR Panels, Controllers & thermostats in premium IR Panels, IR Heating bars.





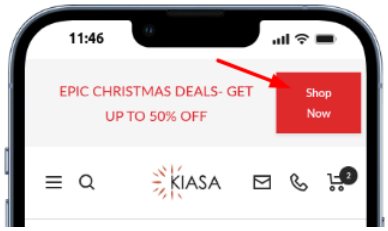
- Suggestion: Make the filter bar sticky so it stays fixed at the top of the page even when users scroll.

2. Current Issue: Subscribe to get a free panel

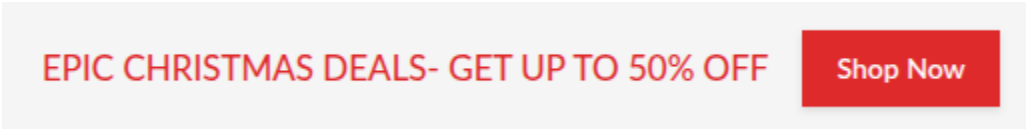


- Suggestion: Remove the Pop-up completely.

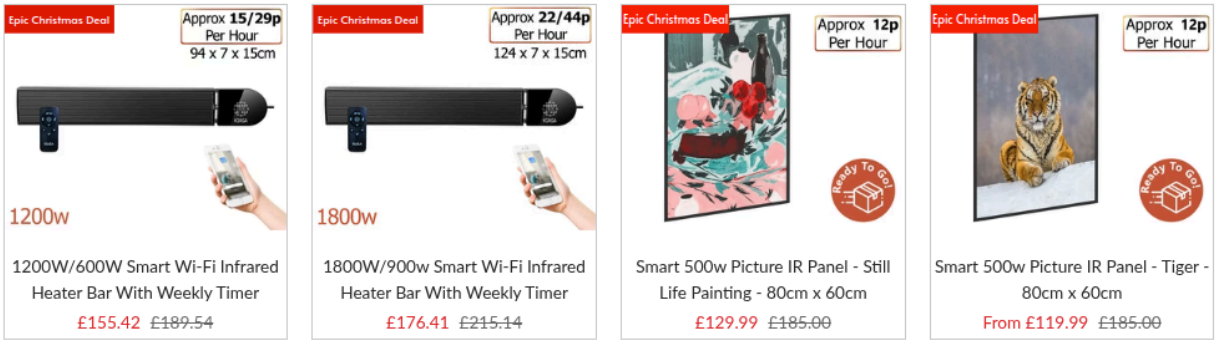
3. Current Issue: Shop Now showing in two lines



Suggestion: Make it Visible in a Single line only



4. Current Issue: The Product page shows slash pricing

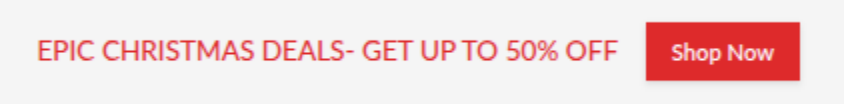


Suggestion: Show the percentage off next to the original price (Highlighted)

5. Current Issue: Banner text shows up to 50% off Christmas Deals

Suggestion: Text - Christmas Sale! Get Up to 50% Off on Selected Heaters

6. Current banner text



Suggested Banner Text - 4. Epic Christmas Deals - Up to 50% Off Selected Heaters

7. Current Issue - A Discount is already given by slashing the price

Suggestions: We should use the same approach for the Christmas deals as we did for the Black Friday deals.
The discount should be a fixed 25% or 30%, and it should be automatically applied at checkout for all users.
